Word From The Director

Recital is HERE! Please read the Recital Info Ebook that was emailed to you. Check the costume preview book at the front desk to make sure you have the correct items for each class. (It's always a good idea to bring extra **EVERYTHING** to recital.) This is such a wonderful opportunity for our students to show off their hard work but don't forget that the most important part is to have **FUN!**

Mentor Program

This year we have introduced a Mentor Program that pairs our company dancers with our younger dancers. We feel this is a great way to promote camaraderie among all our levels. Keep your eyes open for more news about this exciting new program.

Next Season Classes are Filling!

We are so grateful to all of you that were so quick to sign up for the 2019-2020 season. Classes are already filling quickly and we couldn't be more excited about what an awesome year we have ahead. If you have not enrolled yet, hurry! We want you to have a spot! If you have friends that are looking for an amazing performing arts experience in a nurturing and professional environment, tell them to check us out. (Be sure they tell us that you sent them so that we can thank you with a referral credit. Check out the double referral credit deal for June and July below!)

Recital is June 8th

Do your friends and family have their tickets? We are already running low! Show times are at 1 pm and 4 pm. Each show is approximately 1 hour and 45 minutes long. If you have a student that is only in one show, come support your Motion Studio family and get some tickets to the other show or watch the opposite dress rehearsal for free. It is a great experience for them to get to sit in the audience and see what the whole show is like from audience perspective. It really helps give them a great sense of the how special their own part of the performance is.

Recital Picture Pick Up

Our picture days were great fun! Everyone that came out looked fantastic and it's so great to have those group shots to hang up in our hallways. Our kids grow up so fast, and it's fun to look at those pictures and see how far we have come. Thanks so much to those of you that made it! You will be able to view proofs and purchase pictures at dress rehearsal and recital.

Happy Camping!

Don't miss the deadline to sign up for camps. You have until June 1 to jump in! The camp setting gives students a fun way to try new things and go deeper into material and skills than in regular weekly classes. They are a great opportunity to meet new friends and get excited about the new dance season. They are also a great time to invite friends to join in the fun!

Teacher in Training Program

The objective of Motion Studio's Teacher in Training program is to provide students with a comprehensive understanding of how to nurture, mentor and guide the progression of the dance education of others and in turn find their own power of leadership, communication, and deeper understanding of the techniques that they will be teaching.

Eligibility- Students are eligible to begin the Dance Teacher in Training Program at age 11, after at least 1 full year of study at Motion Studio. They must be in at least level 3 in ballet. Our annual Teacher in Training workshops will be held on July 23rd. First year trainees will meet from 11:30 am - 1:00 pm. All others will meet from 1:00-1:30 pm. Each trainee will be assigned a class to assist with for the rest of the 2019-2020 season. If your dancer is interested in being a teacher in training please put their name on the list at the front desk. There is no cost to be a part of this program.
