Word From The Director

Recital is fast approaching and we will be going over all the details in this month's newsletter. Be sure to go over all the info and let us know if you have any questions. We are in for a fantastic show this year and I can't wait to see all the hard work our students having been putting into classes!

Registration for the 2019-2020 Season is Now Open!

If you have not already done so, log in to your account and see the classes that your children have been pre-approved for. They are NOT limited to just the classes they have a pre-approval for. Feel free to stop by the desk or give us a call for more info. Currents families can enroll now and pay nothing until July 1.

Thank You to Everyone That Turned in an End of the Year Survey

Thank you for taking the time to share your thoughts and help us make Motion Studio even better! If you didn't get a chance, you can still pick one up at the front desk, or print it here and drop it off or email it to motionstudioinfo@gmail.com. We would love to hear from each of our valued families.
