## Thank you for your kind words

Thank you SO much for all the nice things that you say about us. Thanks to you, our reputation in the community is stellar. When you are talking about us to your friends, don't forget to tell your friends that you sent them our way. We always like to say thank you with a \$20 referral credit. However... for the months of June and July we will give YOU AND YOUR FRIENDS that are brand new to Motion Studio a \$20 referral credit when they enroll for classes. So keep talking us up and rack up those referral credits for yourself.

## Happy Camping!

Don't miss the deadline to sign up for camps. You have until June 1 to jump in! The camp setting gives students a fun way to try new things and go deeper into material and skills than in regular weekly classes. They are a great opportunity to meet new friends and get excited about the new dance season. They are also a great time to invite friends to join in the fun (did you see our double referral credit offer above?)!

## Teacher in Training Program

The objective of Motion Studio's Teacher in Training program is to provide students with a comprehensive understanding of how to nurture, mentor and guide the progression of the dance education of others and in turn find their own power of leadership, communication, and deeper understanding of the techniques that they will be teaching.

**Eligibility-** Students are eligible to begin the Dance Teacher in Training Program at age 11, after at least 1 full year of study at Motion Studio. They must be in at least level 3 in ballet. Our annual Teacher in Training workshops will be held on July 21st, times TBD. Each trainee will be assigned a class to assist with for the rest of the 2020-2021 season. If your dancer is interested in being a teacher in training please put their name on the list at the front desk by giving us a call or sending us an email.. There is no cost to be a part of this program.
