Motion Studio 2020 Winter Showcase

Location: Griffin Recreation Center, 1140 Griffin Street, New Albany, IN 47150

Date: December 12

How It's Going to Work

This year will be a very different year from past years, so please read your E-Book thoroughly. Students will be assigned a performance time with their class. Once students are checked in they will be escorted to their assigned class waiting area and get into costume. *All guests watching the performance MUST wear a mask.* Each dancer will be allowed TWO audience members for their performance. Tickets will be available for pick up at Motion Studio prior to the event. Guests without a ticket on Recital day will not be permitted into the performance. We will not be selling additional tickets this year. We have a limited number of people that we are allowed to have in the building at once and we need to limit who enters the building at any given time. We thank you for your understanding.

You can find your child's performance time below.

This will be a first for everyone so we are grateful for your patience and understanding on recital day of any schedule changes.

Student Check In

Please arrive during your assigned check in time (you can find your check in time below). Students will be checked in and escorted to their class' waiting area to get into costume. Once students are checked in, parents and guests can take a seat for the performance. Dancer's should arrive ready to perform wearing a nude leotard and their appropriate tights and shoes, hair and make-up should also be stage ready, unless they have an appointment with our stylist.

Student Pick Up

Students will be released by class this year. We will ask that ONE parent/guardian remain in the building after the performance for pick up while all other guests exit the building. Once your child has been picked up please quickly exit the building to allow us time to clean and prepare for the next show. If your child is in multiple performances on recital day, we ask that you please exit the building and get checked in at your assigned check in time. Students in Ballet 3 or higher will be allowed to stay in the building between performances.

Dress Rehearsal

There is NO dress rehearsal for the showcase this year.

Performance December 12

PERFORMERS ARE TO BE PERFORMANCE READY WHEN THEY ARRIVE unless they have an appointment to have hair and makeup done by our professional stylist. Parents dropping off at the Griffin Center **MUST** wear a mask for drop off.

We have tried our hardest to put siblings in the same show as well as be considerate of students with multiple classes. However, in an effort to provide a safe performance with limited guests, we were not able to accommodate everyone. Thank you for your understanding in this matter.

Advanced dancers will be performing in at least **TWO** performance times so be sure to read the schedule carefully.

Costume Changes

All students should have a nude leotard on under their costume to make for an easy costume change. Parent volunteers and faculty will be available to assist with costume changes for younger students. If you prefer to help your child with a costume change, please volunteer to help back stage. Parents are not allowed backstage during the performance unless they are volunteering with student supervision.

Costume, Hair and Makeup

Each dance is a team effort and every dancer deserves the opportunity to be part of a polished number that they can be proud of. **WE RESERVE THE RIGHT TO NOT LET DANCERS GO ON STAGE IF THEY ARE NOT IN PROPER COSTUME, HAIR AND MAKEUP, OR IF THEY ARE WEARING DIRTY OR TORN TIGHTS OR COSTUME PIECES OR ARE MISSING COSTUME PIECES.**

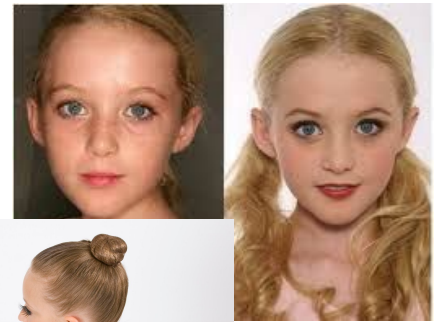

Information regarding hair and costume notes can be found in the Costume Preview PDF.

Want help with hair and/or makeup? Our professional stylist is ready to assist. You can have her do your child's hair and/ or makeup for just \$15 each. She will be available at both picture days, at and on show day. Spots are limited. You can [sign up online here](#) or at the desk at Motion Studio.

Note: When signing up online for hair and makeup, hair will be one 15 minute time slot and makeup will be another 15 minute time slot. If you want to have both hair and makeup done, be sure to sign up for 2 slots.

Make-Up

The purpose of makeup for performances is to be sure we can see the dancers' faces under the lights without their features being washed out. It is no way an attempt to make them look more grown up than they should.

Hair and Makeup Tutorials

Please take time to check out the tutorials that we have found for you to help you be comfortable with doing your dancers hair and makeup.

NO MESSY BUNS!!!! NO HAIR IN THE FACE!!!! NO FLY-AWAYS!!!

Tights and Undergarments

- Tights worn onstage should be new. Tights must be clean, free of runs or holes and should be purchased at Motion Studio to ensure color match. Extra tights will be available at the theatre and will be charged to your card on file if your dancer needs them.
- NO UNDERWEAR! No panties should be worn under tights. If a bra is needed, it should be concealed completely with clear straps if the straps show.
- If female dancers have a costume change, it is a great idea to have a nude leotard to wear under costumes as there is not time or space for dancers to go into a bathroom to change. You can purchase a nude leotard at Motion Studio for \$18 plus tax.
- Tights and leotards can be purchased at Motion Studio.

Costume Rental Information

In an effort to lower the cost for your kids to be involved in dance without compromising the beautiful performance that they deserve, we have created a rental program for the December recital. (Note that costumes will still be purchased by you for the June recital.)

Costumes will not be sent home with students. We will have extra volunteers at picture day, dress rehearsal and shows to hand out and then collect the costumes. The parent that is dropping the child off in the dressing room should help the child get the costume on and check it thoroughly for stains, rips or missing pieces. We hope that this system will head off many potential problems like loss or damage.

We protect our costumes and our students' health by requiring that every student wear a nude colored leotard under all rented costumes. These also make it easy for modest and quick costume changes. They are a worthy investment that you will be able to use for future recitals. The nude leotards will be available at Motion Studio for \$18 plus tax. Please purchase your leotard and tights at Motion Studio to insure uniformity.

Students must arrive at the theatre in their nude leotard and tights under their street clothes. If your child arrives without a nude leotard and/ or correct tights, they will be provided for them and account on file will be charged.

Tights should be worn OUTSIDE of the nude leotard for easy changing. Even if your child is only in one dance, they could have a tear or run that would require a change. We do not allow torn or dirty looking tights on stage. If your child's tights are torn, dirty, or the wrong color, a pair of tights will be provided and your account on file will be charged. It's a great idea to go ahead and have at least one backup pair of tights in each color that your child will wear packed in their dance bag.

Sidenote: Panties should never be worn with a dance costume or tights and leotard. This is both an aesthetic issue and a health factor.

The costume rental fee includes a cleaning fee for the costumes. Renters are not responsible for cleaning costumes but will be held responsible for damage to the costumes during rental including stains, tears, etc..

Costume Rental Agreement

The renter agrees to check costume for stains, rips, and completeness (all accessories) upon dropping their children off at the dressing room.

The renter agrees to pay the full purchase price for costumes (in addition to rental fees) that are returned stained, torn or incomplete.

The renter agrees that Motion Studio is not responsible for any injury resulting from the use of any costume or accessory.

The renter agrees that the child using the costume will wear a nude leotard and tights under the costume at all times.

The renter consents to pay Motion Studio with the credit or debit card that they have on file for any tights or nude leotard that their student is provided by Motion Studio during pictures, dress rehearsal or performances.
