New Classes Coming in 2021-2022

KINDER ACRO (AGES 4-6)

We are so excited to introduce a new level in our Acro program. Acro Dance incorporates the fluid movements of dance with the exciting tricks of acrobatics. This class prepares students for the Jr. Acro level classes. Students will learn developmentally appropriate skills including forward rolls, cart wheels, head stands and more. This class is designed to help bridge the gap between our preschool tumbling class and our Junior Acro levels.

KINDER BALLET/TAP COMBO (AGES 4-6)

We have updated our Preschool Ballet/Tap Combo to this new class. Dancers develop confidence, listening skills, and coordination with pre-ballet technique, plenty of imagination and fun and an introduction of primary tap skills. This class has been designed to promote a love of dance and lay the foundation of dance technique needed for our primary levels.

JUNIOR COMPANY

We are thrilled to be bringing back our Junior Company next year. Participation is by invitation only for dance students that have been at Motion Studio for more than one year must have exhibited exceptional dance abilities, good classroom conduct and attendance, reliability, accountability, and a love of performance.

Open House

MAY 14

If your kids have been curious about trying some new styles of classes, this is the perfect opportunity. It's also a great chance to invite friends to see what Motion Studio is all about. Make sure that your friends tell us that you invited them, so we can say thank you with a \$20 referral credit when they enroll. You can share an invite with them with this link.
