MOTION STUDIO

MONTHLY NEWSLETTER

Word from the director...

As we head into fall, our classes are busy improving their technique and starting to prepare for the December recital. Please help your dancer be successful by making sure they are in their uniforms, their hair is neatly pulled from their face and secured, they have had a healthy snack so they can focus on class, and encourage them to be respectful to their fellow students (arriving to class on time, using the restroom before class, etc.) and their instructor (using Mr. or Ms. when addressing their instructor, paying attention, giving their best effort, etc.)

Following basic etiquette in the dance studio not only helps create a successful learning environment but helps create successful dancers and leads them to become successful adults.

Costume Sizing

SEPTEMBER 13-18

Students will be sized for costumes for the December recital during their classes September 13-18. It is important that they do not miss class that week. Dancers must be wearing a leotard or tight fitting leggings and top. Boys should be wearing close fitting clothes as well.

Please note that all female students will be required to have a nude colored leotard under the rented costumes for the picture days, dress rehearsal and recital. The nude leos are available for purchase at Your Studio for \$18 plus tax. They are great to have for the spring recital too. They make changing in a full dressing room a breeze. Boys will need to wear undergarments that are appropriate for their costume.

Peek Week

SEPTEMBER 20-25

Parents are invited to join us for in-studio class observations September 20-25. Our dancers are excited to show you, up close and personal, what they have been working on!

Recital Deadline

The deadline to get enrolled for any class that will be participating in the December recital is October 1. Don't miss out or you will have to wait until January to join. If you have friends that keep talking about how they are going to sign up for classes at Motion Studio, let them know the deadline is coming.

Harvest Homecoming Parade

Join us for the HHC parade on October 2. The parade begins at 3:00 pm. Please arrive by 2:30. All Motion Studio students are welcome. Students under age 6 must have a parent with them on the parade route. Wear your Motion Studio t-shirt or hoodie or your sparkliest recital costume.

4-Week Preschool Sessions

Did you know that 90% of a child's brain development happens before age 5? New experiences, involving music and movement are essential activities for developing brain connections.

At Motion Studio we have a very special place in our heart for our very young students. We offer specially designed, developmentally appropriate classes taught by patient teachers with years of experience. Now your little one can try a very special 4-week session with no registration fee and no recital commitment.

These 4-week sessions will take place in September and November. Spots are limited and classes fill quickly.
