Throughout the year, please stay informed about policies and events. We communicate primarily through email, so please make sure that we have a working email on file. Follow us on Facebook and join our NEW Motion Studio Parents' Facebook page, make sure that you read any notes sent home with your students, and check the marker board in the main lobby often for info and updates.

We welcome your comments and suggestions. If any parent/student wishes a private conference concerning your individual goals, financial concerns, or any other questions or concerns, please do not hesitate to ask. We are happy to work with you to ensure that your year will be one of learning and growth. The entire faculty and staff wish you a fantastic experience at Motion Studio!

Thanks so much!

Motion Studio

Studio Policies

NOTE- Motion Studio reserves the right to permanently dismiss students or families that fail to observe the etiquette guidelines listed below **with no refund**. **Please read carefully**.

Students

- We require that students carefully observe our dress code outlined in this booklet.
- Any student arriving more than 15 minutes late may not be admitted to class. For your safety and to receive full benefit from your class, please arrange for a make-up class if you expect to be very late.
- All students are encouraged not to leave the room once class has begun. **Please allow for restroom use prior to class.** Very young children will be treated sensitively as the need arises. Preschool children may need a parent's attention from time to time for various reasons including bathroom or behavior issues. Please do not leave the waiting room when very young children are in class without informing the office or having another parent responsible during your absence. We make every effort to have all children feel safe and cared for in a loving and inspiring learning environment.
- Students are not to be socializing in a disruptive manner during class. Please honor your teacher and fellow students by giving full attention and co-operation. You will be advised if we feel any student is not adjusting well to the classroom environment.
- Students are encouraged to bring a water bottle for every class and a **healthy** snack if they will be participating in more than 1.5 hours of class. Water **ONLY** is permitted in studio. **NO SODA, juice, or sugary drinks on the premises please.** Snacks should be enjoyed in the student lounge area. Students are expected to clean up after themselves.
- **Students are asked to maintain a reasonable level of quiet in halls and lounge areas as to not disturb classes.** Use the cubbies and garment rack provided to store belongings during class. Keep walkways clear and clutter free. All students are expected to be kind, courteous and respectful at all times while on the premises.
- Dance class is educational and fun; however, an important part of class work is developing an attitude of discipline and respect for oneself, teachers and fellow students. We trust that following our classroom etiquette will provide an environment whereby classes at Motion Studio will be a pleasure for all concerned.

Illness/ Injury

- During class if a student complains of being ill, or sustains an injury and cannot participate, the instructor will send them to the office where the parents will be notified if not on the premises.
- Only students with a pre-existing sickness/injury are allowed to observe class. The parents must notify the office if a student is to observe class.

Absences

- Tuition for absences and inclement weather cancelations will not be refunded or credited. Missed classes must be made up within 30 days of absence. You may use a different style of class as a makeup. Private lessons must be rescheduled within 30 days of absence. Tuition for classes/ private lessons that are not made up within 30 days will be forfeited.
- Missed recital choreography/content will not be retaught for absentees. Motion Studio reserves the right to dismiss students with excessive absences if we feel that there will be a negative effect on the performance.

Parents

- **Parents and siblings are asked to maintain a reasonable level of quiet in halls and lounge areas as to not disturb classes.** Clean up after your children. Children not in class must be supervised at all times. Do not allow them to run, climb, or otherwise disrupt classes or damage the facility. Keep walkways clear and clutter free. All students and accompanying family members are expected to be kind, courteous and respectful while on the premises.
- It's a great idea to arrive 10-15 minutes before your dance class begins. This allows time to stretch quietly and prepare to focus on the dance class(es) ahead. **However, children under 7 should not be dropped off any more than 15 minutes early.**

- Please pick up children on time. A charge of \$2.00 p/minute, p/child will be assessed for childcare after the first 10 minutes that you are late picking up your child/children. **Be available in the waiting area** to receive students when dismissed from class. Students under 12 years of age will not be permitted to meet you in the parking lot.

Guests/ Observation

- Out of town guests may request to visit at any time throughout the year. No one else is allowed to sit in the class and watch during regular class time except on Observation Days.

Class Schedules/ Cancellations

- Class schedules are subject to change at any time. Classes with fewer than 5 participants may be canceled. If a class must be canceled, Motion Studio will do it's best to transfer students to a suitable class.

Lost and Found

- Lost items will be placed in the lost and found basket by the bathroom door. Please check for missing items. All remaining items will be donated to the Goodwill at the end of each semester.

Inclement Weather Cancellations

- If Motion Studio cancels a class, students will be responsible for arranging their own make-up classes at a time that is convenient for them. No credit or refunds will be given for missed classes.
- Email notifications will be sent in the case of cancellations due to inclement weather.
- We will hold classes except under exceptionally dangerous driving conditions. Use your own discretion regarding attendance if the driving is difficult from your area.

Recital Information

- Performing is an integral part of dance, music, and theatre education and we want all our students to have a chance to shine.
- All students participating in the recital are expected to have good class attendance. A great recital number is a team effort; everyone must do their part by having good attendance and working hard in class. If class attendance is poor, a student may be asked to sit out of their recital piece. **NO RECITAL FEES OR COSTUME FEES WILL BE REFUNDED.** If you know that your child will not be able to participate in a recital, please let us know at the beginning of the year, or as soon as possible.
- Detailed recital information, including details about pictures, rehearsals, and programs will be emailed approximately 2 months prior to the performance. Please read all information thoroughly.

- For the safety of our dancers, absolutely no photography or video recording of any kind, with any device is allowed during rehearsals or performances from the audience or backstage. (Dressing room photography is acceptable within privacy policy outlined below.) **Cameras, phones, and other devices ALL put off some amount of light which causes a dangerous distraction to performers.** We reserve the right to escort audience members that don't respect this policy to the lobby for the duration of the rehearsal or performance. Motion Studio may designate a staff member or photographer to take non-flash photos during performances and rehearsals and will make them available to you to download and share on the Motion Studio Parents Facebook page.
- While we enjoy exposure through social media, we respect the privacy of our students and their families. We ask that you respect the privacy of others by getting permission from other parents before sharing images, videos, or information of or about their children. Please ask permission before taking a photo during a regular class or observation day class at the studio.
