Word from the director...

Recital is around the corner! Be sure to check out all the upcoming dates to stay on top of picture days and important deadlines. Recital is such a fun time and such a great experience for our students. Children learn so many important skills through performing. Here is an article on how the performing arts benefit kids and the skills they learn from it. Happy November!

Motion Studio Dance Company Sponsorship Program

The Motion Studio Dance Company is a non-profit organization in the Southern Indiana area dedicated to supporting young dancers in reaching their full potential as performers, while promoting the art of dance within the community. Your contributions will go toward special trainings and workshops, community events, and developing our first ever stand-alone company performance. These opportunities help company members give back by sharing their passion for dance with others, while also building upon their dance technique and leadership skills.
